

LEAP In-Depth

LEAP In-Depth is a continuous learning opportunity for any health care professional who already has a foundation in the palliative care approach. The course provides enhanced, case-based learning on the management of complex palliative care symptoms across different disease conditions and settings of care.

WHO IS IT FOR?

LEAP In-Depth is ideal for any health care professional (e.g., physician, nurse, social worker, pharmacist, etc.) who has a foundation in the palliative care approach. Participants must have completed a LEAP course prior to registering for LEAP In-Depth.
